NOTICE TO COLLECTORS.

There has been placed in my hands for absolute and unreserved sale by Auction, a fine Collection of U. S. Coins, comprising very full series of Silver and Copper Coins, also a set of Gold Dollars, including all the rare dates, and some issues of Branch Mints.

The Sale is to take place in the early part of March; Catalogues will be ready for distribution about February 15th. Collectors not regularly supplied by me with Catalogues, or who fail to receive their copies by March 1st will do well to apply by postal card, as the sale will be of unusual interest.

Very respectfully,

ED. FROSSARD,

Numismatist and Archæologist,
